

Hiawatha Fire & Rescue

Policy 206
General Administration
Searching For Missing Persons
5/25/2001

When Hiawatha Fire and Rescue is requested to search for a missing person, all members will report to the station to receive orders prior to going to the search area. This also applies to mutual aid requests.

The Senior Officer or Senior Firefighter at the station shall coordinate response depending on the needs of local law enforcement. This person shall act as a liaison coordinating search efforts with law enforcement.

When possible all Hiawatha Fire and Rescue members participating in the search shall carry a city band radio.
